[redacted] Following up on my conversation with Dave Abshire, Assistant Secretary of State for Congressional Relations, I called Jack Leahy, of Abshire's office, to say that we were considering a response to Senator McGovern's inquiry about U.S. knowledge of and involvement in drug traffic in Southeast Asia, and would like to coordinate our action with whatever action the Department is taking in response to a similar inquiry to them. Leahy said he was unaware of the McGovern letter but would look into it and let us know how they plan to handle it.
